

# THE FUTURE OF ISLAMIC HYBRID FINANCE

**GOLD DINAR | SILVER DIRHAM**

BLOCKCHAIN POWERED ISLAMIC HYBRID FINANCE

## OUR COMPANY

Al Ebreiz Global Capital Berhad is a leading technology-based organization providing blockchain powered Islamic hybrid finance solutions with the aim of transforming the modern economic system into an Islamic financial system based on fairness, sustainability and free of interest (Riba).

Led by a team of visionaries, Al Ebreiz was established in 2020 and is headquartered in Kuala Lumpur, Malaysia with plans already in place for expansion into Singapore, Indonesia, and the Middle East.

## OUR PRODUCT

Al Ebreiz Global Capital Berhad has created the most and easiest way for people to trade and own physical gold for themselves without any inconvenience of physical storage and security. Using our own developed mobile apps, AlaDeen Gold, people can own digital gold via the apps represented by physical gold.

Our subscribers in AlaDeen Gold apps are given actual gold and they can redeem their gold allocated in the apps anytime they want. We can guarantee that our products are authentic and pure.

## OUR FORTE

### Easy & Convenient

Our platform is designed with users in mind, providing a safe and great trading experience

### Industry Expertise

We have solid experience in delivering robust solutions with Islamic finance and technology at heart

### Safe & Secured

We have the most secured vault to keep and store our subscribers' gold and silver without worrying about their assets' safety

### Shariah Compliant

Our services adhere to the principles of Islamic finance by being transparent, fair, and effectual for economic justice

### Premium Price

Our gold and silver are guaranteed to be exclusive but at a minimal price compared to our competitors

### Best Practice Corporate Governance

We are committed in driving our business processes and practices to meet Islamic financial, operational & strategic standards to achieve long-term sustainability

**GOLD DINAR | SILVER DIRHAM**
